in a majority of events it was generally voted a fine day's racing. The gentleman riders' race went to Tommy Wright, on Racine II, who ran a much better race than he did the last time out. Racine was a good horse to-day, and came home easily under a good ride by Mr. Wright. Captain Hayes, who won the steeplechase, was a well-planned good thing, and his victory brought handsome rewards t many Baltimore backers of the horse. He was well ridden by Saffel.

record time, covering the distance in 1:49%, which is a quarter of a second better than Lady Vera's time, made yesterday. The victory of Welbourne was especially gratifying to Col, Neville and his friends from Virginia, for among the horses behind Welbourne at the finish was George Browne's The Clown.

For some time there has been intense rivalry between Mr. Brown and Col. Neville, each claiming that his horse was the superior.
